

Identity Management Consultant

★ Luxfactory is an Economic Advisor and Innovation Partner. Active in Luxembourg and the greater region for more than 25 years, Luxfactory manages for its clients all implementation projects in 4 areas: IT and digitalization, renewable energies, strategy and digital marketing. ★

We're currently looking to expand our team in Luxembourg with a qualified **IAM Consultant**.

We are looking for someone who likes live communication as much as we do, but you can work from home once a week. Do you live in another country but considering moving to Luxembourg? We will do our best to help you.

You will be responsible for:

- Analysis and implementation of patches and features in the One Identity Manager product.
- Implementation, testing and deployment in continuous integration (DevOps).
- Other project tasks.

Qualifications

- Good knowledge in the configuration of the One Identity Manager tool: configuration and troubleshooting (Workflows, Processes, Scripting, Roles, etc.)
- Organizational skills and thoroughness in work are a prerequisite.
- Good knowledge of Active Directory and Azure AD

Why joining us?

- Develop and customize your long-term career in a fast-growing company
- Communication, responsibility, dynamism, and team spirit are the key words of our corporate culture
- Celebrate success as a team at our various corporate events (teambuilding, lunch, afterworks, ...)

LUXFACTORY

- We offer an onboarding program as well as individual training and development opportunities
- We offer a very competitive package including an attractive salary, meal vouchers, leasing, training/certifications

Feel free to send your CV to itconsulting@luxfactory.com or contact us for further information.
